PRODUCT DATA SHEET

Arcade black mesh back operator chair with grey fabric seat, light grey frame and chrome base

ARC300T1-G

The design of the Arcade chair draws inspiration from classical yoga positions to make sitting an enjoyable experience at work. The black mesh back complements the light grey frame perfectly and the adjustable lumbar support keeps the user's back in contact with the back of the chair at all times whilst providing support for numerous positions, which means it can alleviate back pain caused by a poor posture.
